The perfect photobooth for all types of events

The Yodabooth Lite, designed with operators in mind. Its light yet sturdy construction makes for easy transportation.

Built around the DS620 printer, which fits perfectly with a latch door enables easy media reloading.

The Lite's ease of use makes it perfect for photo booth beginners, professional photographers, and all event planners!

Yodabooth.

SETUP IN UNDER 5 MINUTES

NO TOOLS REQUIRED

TOP QUALITY COMPONENTS

WHEELED TRANSPORT BAGS

EASY-TO-USE

- ▶ **Plug and Play solution**
- ▶ Compact, light weight and all built-in
- ▶ Setup in under 5 minutes without any tools
- ▶ Portability : 2 wheeled transportation bags
- ▶ Online setup videos and manuals

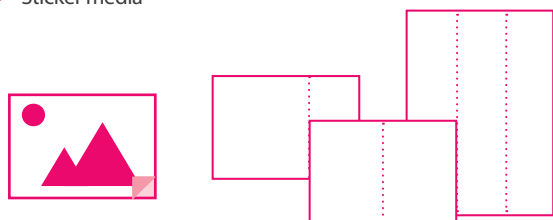

OFF THE SHELF COMPONENTS

- ▶ Canon DSLR Camera
- ▶ Microsoft tablet
- ▶ DNP DS620 printer
- ▶ Flash

VARIOUS MEDIA COMPATIBLE

Something extra with different media available for the DS620 printer :

- ▶ Premium digital media for top quality prints
- ▶ Perforated media to attach coupons and promotions
- ▶ Sticker media

MAKE EVENTS UNIQUE

- ▶ Customize the Yodabooth : for each event, adapt the look of the booth to the theme of the party : wedding, birthday, corporate...
- ▶ Only two stickers needed : one for the face and both sides, and one for the back!
- ▶ Templates and guides are provided ⁽¹⁾

CHOOSE YOUR BUSINESS MODEL

- ▶ **Sell** the Yodabooth, as an all-in-one selfie booth, bundled with the DS620 printer, and get recurrent media sales.
- ▶ **Rent** the Yodabooth for events and generate additional businesses.

YODABOOTH SOFTWARE⁽²⁾

The Yodabooth comes with the best photobooth software on the market or can be used with any photobooth software of your choice.

With Yodabooth software :

- ▶ Enjoy a **large catalog of photo templates and effects** (gif, video, boomerang, filters...).
- ▶ Users can **share by email** and/or print their photos.
- ▶ Load several experiences onto a single booth and switch in seconds in between different events.
- ▶ **Collect data** : track metrics of traffic, engagement, shares, entries, and email opening rates, in full compliancy with the GDPR regulation.
- ▶ Access an automatically generated **gallery** with all the **pictures and stats** from the event.
